EuroTeam Statement of Faith

- We believe the Bible to be the inspired, infallible, and authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in his virgin birth, in his sinless life, in his miracles, in his vicarious and atoning death through his shed blood, in his bodily resurrection, in his ascension to the right hand of the Father, and in his personal return to power and glory.
- We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We believe in the resurrection of both the saved and the lost: they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in Christ.

EuroTeam requests doctrinal and purpose statements to be attached or sent, for your application to be considered. Agreement with the Greater Europe Mission Statement of Faith is required, in the event we accept your project. Submission of this application will be understood as agreement.
