Mission Statement:

Centre des Jeunes (Youth Center) is a place, where people can meet God, personally, through nature, and Christian influence. They organize Christian camps and weekend retreats: for children, youth, and adults.

It is French owned and run, with a national board and leadership. They do receive occasional help from North Americans, but are dependant on volunteers and income from Europe.

EuroTeam has been working there since 1997.

Description of Work:

The camp is in the midst of remodeling all of the camp dorms (painting, wall papering, tiling of surfaces, new insulated windows). All of the underground utilities need to be redone (water, gas, sewer, telephone lines, electrical). The football pitch needs to be rebuilt. One of the main ministries of the camp is sailing. There is an old hanger, used for storing boats in the winter, as well as for a repair shop. They would like to demolish this hanger, and build a new metal and wood hanger in its place. Additionally, they would like to build a new boat ramp.
