

# Wrocław, Poland New Hope Fellowship

tel 49 (0)7631 179 956 0 · fax 49 (0)7631 179 956 50 · www.euro-team.org

## Mission Statement:

In September of 1996, New Hope Fellowship started as a church plant of the First Baptist Church in Wrocław, Poland. The founders of New Hope are from various denominations and nationalities: Emmanuel Christian Fellowship, the Polish Baptist Church, Winnetka Bible Church and Dry Creek Bible Church.

Pastor Jurek Kurzepa's vision is for members to be plugged in to a home group and for those home groups to fellowship together on Sunday mornings. His goal is for a "housegroup" to be on every street in Wrocław. They are blessed to have a national pastor, one with great passion and integrity.

Their facility was built in the 1930s, just prior to WWII. It is located on the SE side of the city where, currently, there is no evangelical church. The city is growing out in this direction and is close to many housing complexes. It is a great blessing that it is a "free standing" building because there are no adjoining neighbors to be "disturbed" by Sunday morning services.

New Hope Fellowship needs your help to renovate their church to accomplish their dream of a and pray that by 2020 Wrocław will be a free city - free from sin, addiction, abuse, corruption and all the other ways that Satan holds them in bondage.

## Description of Work:

The entire church building is being renovated. The existing building requires demolition and new construction. The church has planned a new extension on the back of the existing building to accommodate the new larger sanctuary. Local Architects are scheduling the project phases, which they would like to, have finished by 2006.

## Workers needed for:

The church needs individuals who can come on organized work teams to work in the following areas:

- Electrical
- Finish Work
- Landscaping
- New Construction
- Plumbing and Heating
- Restorative
- Structural
- Framing [Steel]
- Framing [Timber]
- Masonry [Brick Work]
- Reinforced Concrete
- Installing Windows or Doors
- Installing Roof
